Dear Sami

On behalf of the Faculty of Information Technology, I would like to personally congratulate you on receiving the highest grade for semester 2, 2023 in FIT4002 Software engineering industry experience studio project.

We take great pride in our high performing students – and as one of our top students for the semester, we commend the commitment you have shown to your studies. You should be proud of this significant achievement.

I wish you every success in the future.

Yours sincerely

Associate Professor Julian Garcia
